Your Face

Shows the state of your feelings and the state of your health as well. Impure blood makes itself apparent in a pale and sallow complexion, Pimples and Skin Eruptions. If you are feeling weak and worn out and do not have a healthy appearance you should try Acker's Blood Elixir. It cures all blood diseases where cheap Sarsaparilla and so called purifiers fail; knowing this we sell every bottle on a positive guarantee. M. H. Webb, druggist.

Acker's Dyspepsia Tablets are sold on a positive guarantee. Cures heartburn, raising of the food, distress after eating or any form of dyspepsia. One little tablet gives immediate relief. 25 cts. and 50 cts. M. H. Webb, druggist.

Acker's English Remedy will stop a cough at any time, and will cure the worst cold in twelve hours, or money refunded. 25 cts. and 50 cts. M. H. Webb, druggist.

Moki Tea positively cures Sick Headache, indigestion and constipation. A delightful herb drink. Removes all eruptions of the skin, producing a perfect complexion, or money refunded. 25 cts. and 50 cts. M. H. Webb, druggist.

DeWitt's Little Early Risers act as a faultless pill should, cleansing and reviving the system instead of weakening it. They are mild and sure, small and pleasant to take, and entirely free from objectionable drugs. They assist rather than compel. Fred Schaefer, druggist.

"Like Diamonds Raindrops Glisten."

Drops of Hood's Sarsaparilla are precious jewels for the blood which glisten in their use, and, like the rain, disappear for the good of humanity. Each dose when taken is in a very short time thoroughly mixed with the blood and actively getting in its work of purification. Hood's never disappoints.

Milk Leg—"When my last child was born in Lockport, N. Y., in 1874, I became afflicted with milk leg in terrible form. Our family physician was faithful but could only relieve temporarily. Keeping boarders, I was on my feet a great deal. Finally the dye in some red stockings poisoned my system, making many sores. I was in continual misery, gangrene setting in five times. The bones were visible, finger and toe nails came off and my hair came out. I could not sleep without opiates. I dreaded death, but dreaded life all the more. I suffered until the spring of 1892 when our druggist suggested that I try Hood's Sarsaparilla as a last resort. The discharges gradually healed, new flesh formed, new nails and hair grew, until after taking twenty bottles I was completely cured and I naturally bless the medicine. It is now March, '95 and I am still well." Mrs. CYNTHIA A. EDWARDS, 1127 Cleveland Av., Suspension Bridge, N. Y.

*Later. She is "still in good health." Grip—"Sixteen weeks of grip made me weak, but after all else failed Hood's Sarsaparilla cured me. Later I overworked, and dyspepsia and anker in mouth and stomach bothered me. I took the Sarsaparilla again and it completely restored me." Mrs. ELIZABETH POMER, Exeter, N. H.

Malaria—"I was a soldier and after typhoid fever, I had fever and ague, rheumatism, and nervous prostration so that I could not work. Nothing helped until Hood's Sarsaparilla cured me completely so that I lost no time now." J. H. STILLMAN, Cheltenham, Pa.

Scrofula—"Running scrofula sores made me shunned by neighbors. Medical treatment failed. A relative urged me to try Hood's Sarsaparilla. Did so and in few months the sores completely healed." Mrs. J. M. HATCH, Etta, N. H.

Hood's Sarsaparilla Never Disappoints

Hood's Pills cure liver ills, the non-irritating and only cathartic to take with Hood's Sarsaparilla.
